

Barks Mechanika (Point & Click Adventure)

Point & Click Adventure: Mechanika is the deity of knowledge and science who wants to help the protagonist to get into the University of magic by using technology. They are forced to disguise themselves and are only able to help indirectly through clues and subtle nudges. Impatient and inquisitive, they keep a bare minimum of effort in their disguise and just want the protagonist to get on with their studies

Inspecting them	Oh, where to start, where to start... *chuckle*
Inspecting them	We just LOVE to research.
Inspecting them	We are Mechanika, deiii... just a wandering scientist!
Inspecting them	Mechanika is just a nickname, obviously.
Inspecting them	One might say, we are <i>blessed</i> with knowledge.
Inspecting them	Books and tools are our world.
Inspecting them	Us? We like long walks in the library.
Inspecting them	Let's just say we're rather smart.
Inspecting them	You wouldnt believe us if we told you.
Inspecting them	We are impressed with your laboratory.
Wrong Combinations in front of Mechanika	A creative solution...
Wrong Combinations in front of Mechanika	No, no, no, not like that. Please.
Wrong Combinations in front of Mechanika	*sigh* Why did we end up with you?
Wrong Combinations in front of Mechanika	We know you can do it, we believe in you.
Wrong Combinations in front of Mechanika	Nature doesnt work like that.
Wrong Combinations in front of Mechanika	Even WE are stunned.
Wrong Combinations in front of Mechanika	We wish we could help you.
Wrong Combinations in front of Mechanika	We chose... poorly.
Wrong Combinations in front of Mechanika	Certainly entertaining.
Wrong Combinations in front of Mechanika	Great, we got stuck with you...
Wrong Combinations in front of Mechanika	Someday we need to examine your brain.
Entering their room	reading book Shh, be quiet now!
Entering their room	It wasnt us!... Oh, its you.
Entering their room	Still stuck?
Entering their room	The alchemist returns? Maybe to learn more?
Entering their room	Boom Sooo... You want to try it?
Entering their room	You missed us?
Entering their room	Need some help?
Entering their room	How are you? Is everything ok?
Entering their room	We are happy to help you.

Entering their room	What do you have there? Can we take a look?
Correct Combinations in front of Mechanika	We knew you had it in you!
Correct Combinations in front of Mechanika	Wow, that worked, nice!
Correct Combinations in front of Mechanika	You learn something new everyday!
Correct Combinations in front of Mechanika	Now quick, try it out!
Correct Combinations in front of Mechanika	Is it wise? No. Is it fun? YES!
Correct Combinations in front of Mechanika	You make every scientist proud!
Correct Combinations in front of Mechanika	That'll show them!... Oh, nothing.
Correct Combinations in front of Mechanika	We wonder how you'll use that.
Correct Combinations in front of Mechanika	We are proud of you.
Correct Combinations in front of Mechanika	We chose... wisely.
Use items on them	People are never just means to a purpose!
Use items on them	Can we have it?... No, you should keep it... sigh
Use items on them	We're flattered, but no, thanks.
Use items on them	A gift? The greatest gift is you putting it to good use.
Use items on them	Stop it, focus!
Use items on them	You have nothing better to do?
Use items on them	Almost as annoying as a friend of ours.
Use items on them	Not interested in this.
Use items on them	Keep it, you need it more than us.
Use items on them	We are not into this sort of thing, ask your friends.
Inspect them 11 times	Congratulations, you exhausted my „inspect“ responses. Happy now?
