BREAKFAST  
TIME

CUT TO:

APARTMENT - KITCHEN - DAY

Normal Kitchen. All sorts of weaponry on the dining table.  
STEVEN and TOBIAS enter. Both laugh.

STEVEN  
(grabs a combat knife)  
Time for a healthy breakfast.

Stevens stomach grumbles. He goes to cut bread. Tobias quickly grabs a pistol and shoots the knife out of Stevens hands.

TOBIAS  
(sternly)  
I thought we did go over that,  
darling. No using...

STEVEN  
(sighing)  
...weapons inappropriately. I know.  
But a breadknife is soooo boring!

Tobias grabs two bowls, makes cereals with milk.

STEVEN  
(screaming)  
HERETIC! Milk goes before cereal!

Steven and Tobias start brawling, surrounded by a cloud. You see POWs and weapons fly around. The phone rings.

The fighting stops. Both are unharmed, the table is broken, weapons are all around the place. Both look at the phone.

TOBIAS & STEVEN  
(simultaneously)  
Don't worry, I get it!

Both run towards the phone, pushing each other out of the way. Steven grabs a chair and smashes it over Tobias' head.

TOBIAS  
(stars over his head)  
OUCH!

Steven picks up the phone.

STEVEN  
Yes?...

Tobias grabs Steven by the waist with both arms, suplexes him. Steven crashes into the kitchen sink. Water starts to flood the kitchen.

Tobias grabs the phone out of midair.

TOBIAS  
Hello, you reached the detectives  
Walovski...

In the background Steven pulls out plumbing equipment. Starts repairing the damage. A mumbling voice comes out of the phone.

TOBIAS  
(nodding)  
Holy desperate exorcism of a  
dimwitted demonic presence. We're  
on our way!

TOBIAS puts the phone down. Turns around, sees Steven just smashing tools into the drain, somehow having fixed the leak.

STEVEN  
(taping the sink  
together)  
HEY! Who was it? Someone to beat  
up?

TOBIAS  
(excited)  
It was the chief. There is a  
supposed haunting in the newly  
opened hotel. We're sent to  
investigate and exorcise the ghost  
with any means necessary.

Steven puts the plumbing equipment in his pocket, pulls out a enormous GOLDEN CROSS.

STEVEN  
Do you think I finally get the  
chance to whack someone with that  
without getting into trouble?

TOBIAS  
(laughing)  
As long as you do not beat up a  
couple again!

STEVEN  
(insulted)  
They wanted my blessing. Don't know  
what they expected. I thought the  
red on the cross looked good  
though.

Both put weapons in their pockets, Apartment still flooded and in disarray. Stevens stomach grumbles again.

TOBIAS

Oh right, breakfast. We gotta grab a bite to eat by Milo's on the way, okay?

STEVEN

Yes, but remember, don't pick the waffles, you know what happened last time.

Both shudder.

TOBIAS

(belching)

Poor Celine, still traumatized. Shouldn't have watched outside her door when we came by... We need to bring her her medicine.

Both go towards the door.

TOBIAS

Let's go, time to kick some ghost ass!

Steven smacks the CROSS into the last remaining cupboard, breaking it.

STEVEN

YAY!

Gameplay starts outside the apartment.
