Tactical stealth game - 3rd Person PC: Robin

Gameplay: Transition to penultimate Mission.

A NORMAL  
PROPOSAL

FADE IN:

EXT. - HILL - DAY

NAYARA and PEDRO are on a hill, hidden between bushes. Nayara lies on the ground, using a sniper rifle. Pedro sits next to her. He uses a rangefinder. A laptop and a notebook are in front of him.

PEDRO

Target distance 885 meters.  
(checks on laptop)  
Wind 80 degrees, 8 km/h. Making the calculations.

Pedro types something into the laptop. He touches Nayaras shoulder. She looks up, checks the laptop. Takes aim.

NAYARA

I'm taking the shot.

Nayara pulls the trigger. A BANG is heard, a shell flies out the rifle.

PEDRO

(looking through  
binoculars)  
They're down. Good hit.

NAYARA

What did you expect?... By the way,  
did you think about my idea?

She turns on her RADIO. Pedro looks through his binoculars.

PEDRO

Coast clear... And yes, I did.

NAYARA

(into the radio)  
Coast clear, you can go on. Don't  
worry, we got you covered. We'll  
update you.

ROBIN (O.S.)

(through radio)  
Thanks for your help, I owe you  
one.

Nayara and Pedro smile at each other.

NAYARA

We'll keep it in mind.

Nayara looks exited at Pedro.

PEDRO

A bar in Madrid sounds lovely...

Both use binoculars and stand up to watch ROBIN sneaking closer to their target.

NAYARA

Everything still clear. I already secured a location with a beautiful view. There is only one problem...

Nayara pulls a small white box out her pocket. Binoculars around her neck. Pedro still watches down the hill.

PEDRO

(pointing)

No enemies in sight. What is the problem?

Nayara gently puts a hand on Pedros arm.

NAYARA

(firm)

Can't open it on my own. I need a partner. Permanent partnership. Already have someone in mind.

Nayara turns towards Pedro, opening the small box. A RING is inside. Pedro just looks at her, then at the ring, back and forth, dumbfounded.

NAYARA

(very gently)

Will you marry me? A prospective barkeeper in Madrid? You'd be the perfect partner.

Nayara has the biggest smile on her face. Pedro still stares.

PEDRO

(stuttering)

I... I... I... Wha....?

The radio cackles.

ROBIN (O.S.)

(through the radio)

I think he means "Yes". By the way, I'm in. Get ready for the escape.

Both ignore the radio.

ROBIN (O.S.)  
 (through radio)  
 Okayyy... I just assume you got it.  
 Don't let me distract you.  
 Priorities and stuff, I guess.

Pedro touches the RING, still looking back and forth.

PEDRO  
 (nervously)  
 I... You really want me?...

Nayara looks into Pedros eyes, puts a hand on his cheek. His eyes stay.

NAYARA  
 (whispering)  
 I want you to be a part of my  
 life... Forever.

Pedro blushes, a nervous smile on his face.

PEDRO  
 (stammering)  
 I... Too. I want to be yours.  
 Forever. Yes. Yes. I want... yes!

Nayara smiles, puts the RING on Pedros finger, then pulls him into a kiss.

Radio cackles again. A laugh is heard.

ROBIN (O.S.)  
 (through the radio)  
 Let me be the first to congratulate  
 you. But seriously, turn off the  
 radio. I'm sneaking right now.  
 Lovey-dovey laughs are not helpful.

PEDRO  
 (into Nayaras radio)  
 S..Sorry. We get the car ready.

PEDRO turns the radio off. Pedro and Nayara put their foreheads together. Both holding the other ones head in their hands.

PEDRO  
 (whispering)  
 I'm the happiest man on earth right  
 now...

NAYARA  
 (whispering)  
 And I'm the happiest woman... We  
 should pack up and get the car  
 ready.

Both laugh silently.

Note

*Gameplay in enemy base starts.*
